Outcome of Value Added Course on E-Filing of Income Tax

The Value-Added Course on E-Filing of Income Tax enabled students to gain a clear understanding of the Indian Income Tax system, including income classification, deductions, and tax computation. Through hands-on training on the official e-filing portal, students developed practical skills in filing Income Tax Returns (ITRs) and TDS returns. The course enhanced their digital literacy in taxation and boosted their confidence in handling basic tax compliance independently. As a result, participants became better equipped for internships and entry-level roles in finance, accounting, and taxation, thereby improving their overall employability.
